## IPD Unit

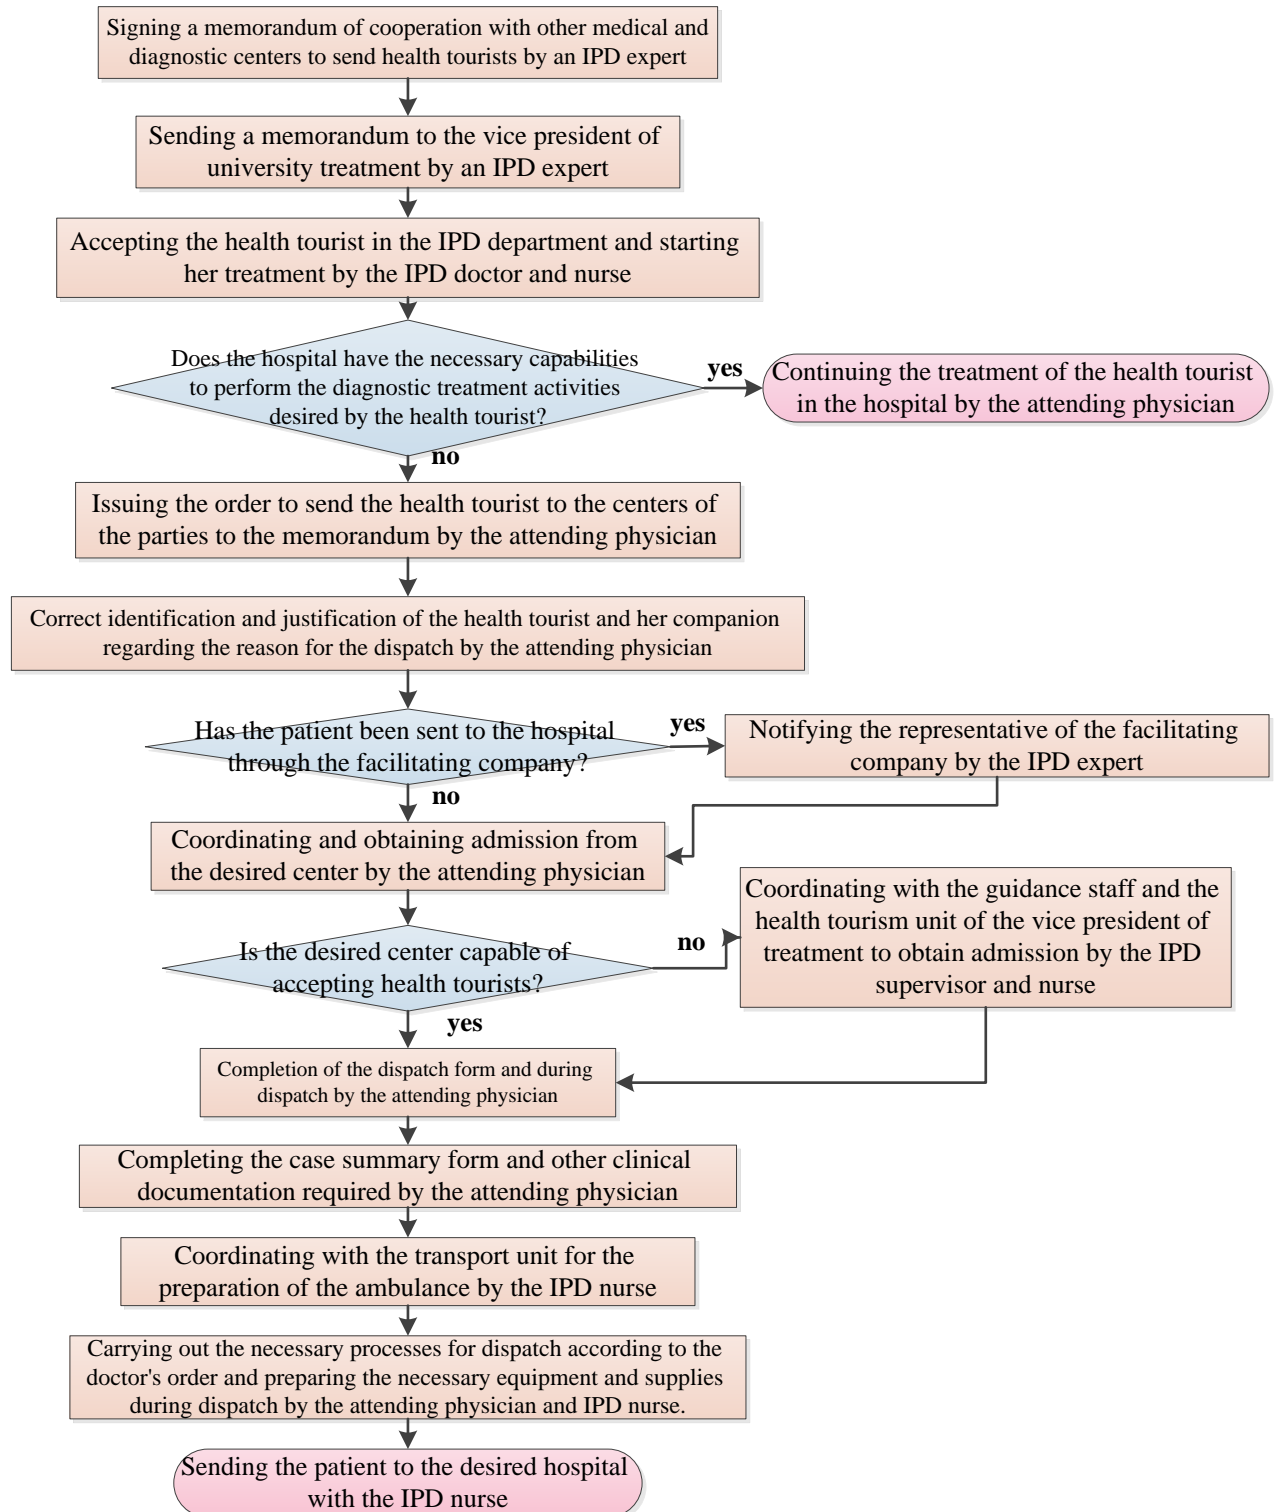

### Title of the process: Dispatch of health tourists to other medical centers if necessary

Process code : ZMH-PRO-IPD-11

Revision date:7/10/2024

Compilation date:23/9/2023

Notification date:7/10/2023

The health tourist is sent to other centers if the health tourist has a problem during his hospitalization in this center and it is not possible to provide him with specialized services in the hospital. If it is determined before accepting the health tourist in the center that this center does not have the ability to provide the services desired by the health tourist, the acceptance of the health tourist will not take place by itself.
